School Division Will Extend New Services

Foreseeing the probability of an even more serious teacher shortage during the coming summer the Wainwright Divisional Board at its March 19th meeting adopted measures which it is hoped will ensure an adequate supply of qualified teachers for its schools. Teachers throughout the province are leaving their classrooms not only to join the armed forces, but to accept more attractive positions in other occupations. Wherever possible, it has been the policy to close schools of small enrolment, and to make provision for educating the children at adjoining schools. Normal Trainees have been placed in other schools to alleviate the situation. In spite of these measures many schools scattered throughout the province have been forced to remain closed for part or all of the school term. Two schools of small enrolment have been closed in the Wainwright School Division during the past year. In an endeavor to prevent the further closing of many schools throughout the Division during the coming year, the Divisional Board has approved a new salary schedule to become effective September 1st, 1943. Under this new schedule the salary of a beginning teacher is raised to \$900.00 a year, with substantial increases over the initial salary for each year of previous experience. Experienced teachers may work up to a salary of \$1,215.00 a year after eight years of service. The first responsibility of the Divisional Board is that of keeping the schools in operation under well qualified teachers, and it was the opinion of the Divisional Board that this responsibility would not be fulfilled if teachers were permitted to leave this Division merely because they would receive higher salaries in other Divisions.

Health Services Approved

During the past year, requests for Health Services have been received from many parents and Local Boards. With a view to providing uniform services throughout all districts, the Divisional Board this week approved a plan providing for the immediate immunization of all children in the Division against Scarlet Fever, Diphtheria, and Smallpox. Details of the plan are now being worked out at the Office, and circulars outlining the plan have already been mailed to all teachers and secretaries of Local Boards. It is expected that the scheme will be under way in early May. As part of this new Health Service, the health record of each child in the Division, with dates of all immunizations, will be placed on file at the Divisional Office. This record will be of value for future reference by parents, doctors, and school officials.

Better Library Facilities

Library facilities for schools of the Division have been greatly improved by the setting up of a Central Library of over two thousand books at the Divisional Office. Schools which formerly were often limited to an inadequate collection of worn and outdated books are now able to draw freely from the Central Library. Books are mailed to the schools as required, and many new and up-to-date books now pass through each school every month. It is reported that the new library arrangement is

Ottawa to Arrange Wheat Deliveries

OTTAWA—Given adequate transportation, the government's 1942-3 wheat program will be implemented but if transportation proves inadequate the government will "take steps to deal with such problems as may arise therefrom." Trade Minister MacKinnon advised the House of Commons.

He was answering a series of questions from G. H. Castleden (C.C.F. Yorkton). Arrangements were being made to permit western farmers to deliver the allotted quota of 14 bushels an acre by "increasing delivery quotas as rapidly as transportation and storage permit," said the minister.

Total marketings from the 1942 western wheat crop during the crop year 1942-43 are restricted to 280,000 000 bushels and this quantity of 1942 wheat would be taken as storage and transportation permitted. After Aug. 1, 1943, and up to July 31, 1944, either 1942 or 1943 wheat may be delivered up to 14 bushels an authorized acre.

being received with enthusiasm by teachers and students.

New Office Staff

Mr. Oliver G. Griffiths, formerly a teacher on the Divisional Staff, has been appointed Secretary-Treasurer of the Division, replacing Mr. G. W. Kenny, whose resignation took effect March 15th. Miss Sylvia McNally is employed part time as librarian and office assistant.

GWEN BRADSHAW

Gwen Bradshaw is the popular vocalist heard over CBC and Western Stations on the CBC Series "Tunes For Today", from Winnipeg on Fridays at 10:00 p.m. MDT. She comes of an old Ontario U.E. Loyalist family, but has lived most of her life in the West. In addition to singing nicely on the network, she works occasionally as a control room operator in one of Winnipeg's radio stations.

Plan Early Start On New Company

Organization of the newly formed Crown Company, the Northwest Purchasing Co., will start immediately, according to P. A. Woodward Ltd. He said that the function of the company would be to co-ordinate the purchasing by the United States and Canada in this territory.

All purchases will be made by tender, he added, except in cases of emergency when the goods will be obtained from available source, and as rapidly as possible.

He said that offices of the company would be located at the Mills Motors premises, 109 Street and Jasper avenue. He could not state how many of a staff would be employed.

Innovation in School Dance Procedure

Something new in the line of dances was tried last Friday night by the students of the high school. This was a "Turnabout" dance, which as the name suggests, was carried out in a manner contrary to other dances. The girls did the dating, called for the boys, and asked for dances. The Masonic Hall was decorated in the school colors, black and gold, and all had a real good time. —J.C.

Death & Funeral Mrs. Chas. Cooper

Stricken with a sudden attack of pneumonia on Tuesday last, following a heavy cold, Florence, the beloved wife of Mr. Charles Cooper, passed away in the hospital on Thursday, despite all that could be done by nurses and doctors during the few hours of her stay there. She was 22 years of age, and in addition to her husband, leaves a baby boy of 9½ months. Her parents, Mr. and Mrs. Noyes, of Calgary, and one sister also mourn her death.

She was married on December 8th, 1940, and since last fall has resided on the farm north of town.

Funeral services, under the direction of McLeod's parlors, were held in the Wainwright United church on Monday afternoon, Elder R. A. Hubley and R. Carilli conducting the ceremony before a large attendance of relatives and sympathizers. Many beautiful floral tributes testified to the love and esteem in which the young wife and mother was held.

Palbearers were Messrs. H. Cooper, W. Bonner, H. Reid, D. Rattray, M. Jackson, and R. Carl, and interment was made at Wainwright cemetery.

CARD OF THANKS

I wish to sincerely thank our many friends and neighbors for their kind expressions of sympathy, and for the beautiful floral offerings, and also Dr. Wallace and the nursing staff of the Wainwright hospital for all their kind efforts and attention, in my bereavement by the loss of my dear wife, Florence.

Old Ration Book Expires March 31

Exit March—and with it goes the first ration book to be used by Canadians. After the end of the month, coupons for sugar, tea and coffee in the old ration book will be no longer good for purchase of the ration allotment. Hereafter only butter coupons were given an expiry date.

Coupons now valid in ration book 2 are:

Purple, butter, No. 3, good for ½ pound, Sat., March 27th.

Coupons 1, 2, and 3, for butter are good until April 30.

Pink coupons 1 and 2 for sugar, and green coupons 1 and 2 for tea or coffee became valid March 6th. Coupons 3 and 4, for tea, coffee and sugar will not be valid until April 30.

There is no expiry date for tea, coffee and sugar coupons in ration book 2.

Farmer-Soldiers May Get Leaves

OTTAWA—Defence headquarters said last week that leave will be granted to a "limited number of men on active service in Canada to permit them to help sow crops and assist in other spring work on farms."

Each man's application will be considered on its merits and only soldiers with previous farm experience will be granted leave," a spokesman said. The arrangements will be similar to those covering harvest leave.

The maximum leave will be six weeks. Men granted leave will pay their own transportation to and from their farm jobs and will receive no army pay or allowance during the time they are absent. They will travel in uniform but wear civilian clothes on the farm.

Observe Ration Book Directions

Careful attention to a few simple requirements will save holders of ration book 2, and their merchants considerable inconvenience, say officials of the administration.

No coupon sheet may be used unless it is fully complete with prefix, serial number and address, printed in ink.

Coupons for tea, coffee and sugar coming due on Saturdays will crowd merchants with many orders, and there will be little opportunity for consumers to complete ration books at the store. So—before going out to shop, check to see that your ration books are completely in order according to requirement.

BOARD OF TRADE MONTHLY MEETING

The regular monthly meeting is to be held in the Council Chamber of the Town Hall on Wednesday, evening next at EIGHT O'CLOCK SHARP, and it is hoped that a big turn-out of all interested will be on hand, as very important business is to be dealt with.

By Order

LOCAL NOTES

We are glad to know that Mrs. O. Hannah is recovering nicely from her recent attack of the 'flu, and we understand that Mrs. O. Michon is feeling some better now, too.

Monday night's snowstorm and blizzard surely gave our citizens a fine opportunity to comply with the town by-law governing the clearing off of their sidewalks!

Owing to the serious illness of her brother, Mr. Bob Trewhatha (who, we are informed had to have a leg amputated), Mrs. Louise Stott was in Edmonton for a day or so at the week end.

Congratulations are in order for Alex. Gray, who, we are informed, has received his appointment to the post of locomotive foreman of the local C.N.R. yards.

We are sorry to learn that Mrs. A. Dalby is on the sick list at her home these days. She is expecting her daughter Doris home from Toronto shortly.

Mr. T. Graftaas gave us a call last week end while here on business from Jarrow.

85th Credit Union Formed in Alberta

Eighty-fifth credit union in Alberta has been established at Vermilion with 51 members, it was announced in Edmonton. The credit organization will serve the Vermilion district, as well as the town itself.

Principles of credit union operation were discussed at the organization meeting by Charles Gould, credit union examiner, who gave a short address.

No One Denied A Ration Book

For those who for reasons of illness or weather were unable to obtain new ration books between the specified dates, February 19 - March 1, the following instructions should be observed in obtaining new ration books by mail:

Fill in the application book at the back of ration book 1, making sure that the serial letters and number are accurately copied from the cover. This serial number is allocated for the duration, and is of great importance.

Detach the postcard and mail it to the nearest ration office of the War-time Prices and Trade Board, Wainwright Building, Edmonton, or, Burns Building, Calgary.

Keep ration book 1 as coupons for sugar, tea and coffee are still valid, and coupon number 9 for butter was valid until March 14.

Ration book 2 will be returned by mail.

Require Removal Of Internal Fats

Food Administration, War-time Prices and Trade Board, has issued an order, effective March 25, requiring anyone who slaughters cattle for sale, as beef, to remove at the time of slaughter, side, quarter or cut of beef offered for sale, the kidneys and internal fats. The order provides that the slaughterer must remove kidney fat, including fat adhering to the tenderloin or flanks; the internal fats adhering to the body cavity known as crotch or pelvic fat, as well as the internal brisket fats, including fat in the heart area which does not adhere to the heart when it is removed, and also the cod fat under and under fat. The order, designed to salvage large quantities of beef fats required for essential purposes, does not apply to carcasses, parts of carcasses or cuts of beef frozen before March 25.

About Your Sugar For Home Canning

April 15th will roll around very quickly and as every housewife knows, that is the date on which her application for sugar for canning fruit this summer must be in the hands of her Local Ration Board.

Questions on this subject are numerous, and answers prepared by the War-time Prices and Trade Board in co-operation with the Dominion Department of Agriculture are as follows:

Q. How much sugar is allowed for canning?

A. One half pound of sugar for each quart sealer.

Q. How can I estimate the amount of sugar I require for canning?

A. Estimate the total number of quart sealers you plan to put up. Then allow ½ pound of sugar for each quart sealer. If you plan to can 20 quarts of fruit you will need 10 pounds of sugar.

Q. How can I tell exactly how much of each kind of fruit will be available?

A. That would be impossible. Don't try to decide the number of each kind of fruit you will put up. Base your estimates on the number of sealers you have on hand, on what you put up last year, on what you think you will require this year.

Q. I want to make some jam and jelly. How much sugar is allowed for these?

A. One and one half (1½) pounds of sugar for each quart of jam or jelly.

Q. I am planning to make up 8 quarts of jam and jelly. How much sugar will I require?

A. You are allowed 1½ pounds of sugar for each quart, therefore you will require 12 pounds of sugar.

Q. Most of my jam and jelly jars are of various shapes. How can I estimate how many quarts they will hold?

A. Take the jars you usually use for jam or jelly and see how many

WAINWRIGHT, WEDNESDAY, MARCH 31st, 1943

THIS IS YOUR COUNTRY

Historians say that the word "Canada" means a dwelling home. At the beginning there were log and mud houses of various Indian tribes in this country. Later on white people came and built better houses.

Homes, farms, towns, and cities of Canada were built by the people who came here from many countries and from all parts of the world—peoples of different races, of many nationalities and religions. They left their homes in their native lands to seek a new home and better opportunities in this country.

Thus Canada became a melting pot for many nationalities and races. There is no distinction between the peoples of different racial origin. This country has been developed and built by all of us. This country belongs to all the people who live here. This is YOUR country. This country is dear to you, as dear and precious to you as is your home, your family.

But this country is in grave danger now. You personally are in danger, because if Canada should be dominated by an enemy power, then you personally would suffer; you would lose your personal liberty, freedom of religion, and the possibility of enjoying your cultural life. You would also lose your property for which you laboured so long and so hard.

In order to protect these vital things, some of you have sent to war your sons and your brothers.

But your sons and your brothers have to be supplied with food, uniforms, equipment, ammunition, tanks and ships. Without all this they cannot defend this country. It is the duty of those at home to supply our fighting forces with these necessities.

This is a democratic country. In this country the government does not say that each of us must give so much. The government here asks us to loan to the state as much money as we can spare. The government, besides taxes, borrows the money from us to finance the war and guarantees all the wealth and resources of the country; that the money will be paid back to us—with interest. In other words, the government asks us to buy Victory Bonds.

Since the beginning of this war there has been three Victory Loans. Within a short time a Fourth Victory Loan will be announced.

Don't say that this is of no concern

to you, that this does not apply to you. Whose country is this? Whose house is it you live in? Whose farm is it you make your living from? They are yours. And so is this country. In defence of this country you and I should give all we can.

Let us all make the necessary provisions and arrangements so that we will be prepared to invest every dollar we can spare in Victory Bonds as soon as they are offered to us.

TEN YEARS FROM NOW

We were in conversation this week with one of the leading citizens, and he made this statement, "I do not claim to be a prophet, but I have lived sixty years, and I expect to see more changes in the next ten years in our civilization than I have seen in all my life."

This statement set us thinking about the years after the war. What sort of a sensible program of rehabilitation can be drafted? Can we see and plan far enough in the future to provide a place for the tens of thousands of men and women who will be demobilized, and who will have to have a place where they can provide themselves food, raiment and shelter?

We have millions of acres of land suitable for agriculture and stock-raising. But will they all want to be farmers? We have thousands of families who would like, and who need a new and modern home. But could they all be absorbed in the building trades? We have thousands of towns and cities where parks, public improvements such as sewer lines, paved streets, parks and so on are needed. But will they all cater to this type of work, and can they be used there? It really is a colossal problem.

The plan suggested to the Dominion parliament is a step in the right direction. When analyzed, it seems that even it leaves many questions of post war Canada definitely unanswered. The billions of dollars now used for war will be needed just as badly for peace. The men and women now in the services and in prison camps will need feeding just as badly after the war as they do now. They will be at liberty then to earn their own, if work suitable for them can be found. This question should receive careful and painstaking study. We recall that after the last war, about the only plan for rehabilitation was farming. Many city-raised returned men tried farming. The fact that they did not succeed was not surprising. They were not raised on a farm, and while many think that anyone can be a success as a farmer, there is a fundamental training and a necessary love for the soil and for the livestock that goes with a farm, that needs to be there before anyone can succeed in any type of farming.

The future must be faced. Our men and women in the services must be gainfully employed and at work they enjoy and are fitted for. We are going to demobilize an army of technicians and any program for their re-establishment must be laid down with an eye to the fact that they are not horse and buggy men and women but men and women trained to speed, precision and efficiency. While our law makers must meet the question of the day, they should work with one ear to the ground and eye to the future when the boys and girls of today, being absorbed into the service, will be the men and women of tomorrow demobilized, and looking for a place in the social and economic set up of Canada and the world.

If you have not yet made your contribution to the Red Cross campaign, be sure to get it in by Wednesday, March 31st. Headquarters for the campaign is Hannah's Hardware.

Coming up! We have now raised \$1,810.00 with three days to go.

Some interesting ways of raising money are being tried out, with gratifying success. The Sew-and-So Club of Fabyan have been holding a series of card parties at the different homes with splendid returns, as seen below. The members of the Gilt Edge Welfare Club are selling their kitchen fat and are planning to donate it all to the Red Cross. Some of these ideas might be carried out by other groups because we shall continue to raise funds for the Red Cross all year, even after the special campaign is over. Put your thinking caps on, friends, and try out some more novel ideas!

Bud Cotton has made and donated a complete riding bridle which will be sold by the Red Cross. You would be proud to own it.

The regular monthly meeting of the Executive of the Wainwright and District Branch of the Red Cross will be held in the Red Cross room on Monday, April 5th, at 8 p.m.

I have just received my parcel sent by the ladies of your club. It arrived safely and in good condition. I wish to thank each and every one of the members, and those responsible for making up the parcels. It was deeply appreciated, and could not have come at a more opportune time.

All the boys from your district join me in sending thanks and greetings. Keep smiling, for we are out to win, and will be home soon.

Compliments of the season to you all.

WARTIME HUMOR

The Wartime Milk Control Board of England has its occasions to laugh. In spite of the grimness of war and falling bombs, there are a few extracts taken from actual letters sent to the milk board by English mothers:

Please send me a form for supply of milk for having children at reduced prices.

I posted the form by mistake before my child was filled up properly.

I did not intend coming to the milk office today, but have had 15 children this morning.

I have one child two years old and looking forward to an increase in November, hoping this meets with your approval.

I am glad to report that my husband who was reported missing is now dead.

Sir: I am forwarding our marriage certificate and two children, one of which is a mistake as you will see.

Unless I can get my husband's pay I will be forced to lead an immortal life.

You have changed my boy into a little girl. Will this make any difference?

Please send my money as I have fallen into errors with my landlord.

I have no children as my husband is a bus driver and works day and night.

In accordance with your instructions I have given birth to twins in the enclosed envelope.

Milk is wanted for my baby and the father is unable to supply it.

RENEWAL OF UNEMPLOYMENT INSURANCE BOOKS

To all Employers:

The 1942-43 Unemployment Insurance
Books expire on March 31st.

New Insurance Books for the fiscal year 1943-44 will be exchanged by the Local Employment and Selective Service Office in your area for expired Insurance Books.

Do not send in your Insurance Books without completing forms enclosed with circular letter 625.

If you have not received this circular letter, get in touch with your nearest Employment and Selective Service Office.

Where it is necessary to quote the Employee's Insurance Number, use the number with the prefix letter shown on the front cover of the book: example P-49247, E-22454. Do not quote the book serial number printed on the inside pages of the book.

Protect the benefit rights of your employees by following closely the procedure outlined in the circular letter, and prevent delays by acting now.

WAR DOLLARS

DO THREE ESSENTIAL JOBS:

1. HELP CARRY ON THE WAR—

Every possible dollar will be needed to bring the war to a successful conclusion. THEREFORE, every dollar you lend enables you to play a vital part in the great fight for freedom.

2. CURB WASTEFUL SPENDING—

To retard spiralling prices and rises in the cost of living, income must be diverted from unwise purchases and made available for war use. WAR SAVINGS mean money put aside to aid essential war production.

3. PROVIDE A NEST EGG—

Following every major war, there is a period of economic readjustment. The man who has taken his share of WAR SAVINGS will find this money very useful during this transition period.

EDGERTON

The Victory Wheel draw at the Drug Store Saturday night resulted in Larry McLeay winning a \$5.00 War Savings Certificate.

The Red Cross Local held their monthly meeting at the Work Rooms Saturday. The drive for funds in the National Appeal has been well supported and it is reported over \$700.00 has so far been received. A list of the amounts from the various communities in the Edgerton District will be published later.

Jim Charlesworth shipped out four loads of cattle this week.

The Annual meeting of the Edgerton Co-operative Association was held March 23rd in Fawcett's Hall. In spite of the poor condition of the roads there was quite a good attendance. Mr. Fitzgerald and Mr. Potter, both of Edmonton, were speakers after the meeting.

Mrs. Warnock, who has been visiting in the city for some time, returned home Wednesday.

The sale of Mrs. Golding's household effects took place Thursday. Quite good prices were realized for the most part.

Lorne Ramsay of the R.C.A.F. is on sick leave and is visiting his brother Fred.

Norman Miles is back again from the far north where he has been trucking. He reports having been as far north as a point half way between Fort Nelson and Laird.

Harry Hughes, who used to be in the bank here has been promoted to the rank of Captain.

Two Edgerton rinks journeyed to Chauvin Saturday to challenge for the Atlas Cup, and were successful in bringing it home after some really good curling. The Edgerton rinks were skippered by Alf Challenger and G. C. Welsh, and the Chauvin rinks by O. Hawthorn and S. Montjoy.

GREENSHIELDS

Mrs. R. J. Tilbury and family left on Friday's train for their new home at Melita, Man.

Mr. Leopold Leduc was a between-trains visitor to Edgerton on Friday.

Mrs. Roche Chartier and new baby son have returned home from the Wainwright hospital.

We are glad to see Mr. and Mrs. H. Merrick around again after their recent illness.

Mr. M. Haynes returned home this week, after visiting relatives in Saskatchewan.

Mrs. I. A. Patterson was a tripper to Edmonton.

Mr. John Valleau has been busy hauling grain for a number of farmers in this district.

Weather permitting, the next meeting of the Greenshields War Service League will be held on Wednesday evening, April 7th, at Mr. and Mrs. White's apartment.

GERALD

People gathered from different districts to attend the Credit Union meeting that was held at the home of Mr. and Mrs. F. Perkins on Monday evening of last week. Mr. Denny of Edmonton gave an interesting account of different phases of Credit Union. Many questions were answered. Then it was decided to form "A Wainwright and District Credit Union." The following officers were elected for the remainder of 1943:— Pres.—Mr. L. Myggland; Vice-Pres.

Mr. R. Campbell; Sec.—Mrs. J. Perkins; these three, with Mrs. A. Hamilton, and Mr. F. Dixon to be the Board of Directors. Credit Committee:—Mr. D. Rattray Jr., Mr. G. Kilby, Mr. S. Valleau. Supervisory Committee:—Mr. Koch, Mr. H. Ruste, Mr. G. Valleau. Membership Committee:—Mrs. G. Valleau, Mrs. S. Baker, Mrs. R. Deyell.

The Gerald Victory Club was in charge of an enjoyable whist drive and dance in Trafalgar school on Friday evening. Mrs. R. Deyell and Miss A. Zender were the committees to arrange this affair. Prize winners at whist were:—Ladies' high—Miss J. Deyell, Low—Miss R. Chynoweth. Gent's high—Mr. H. Zender, Low—Mr. F. Borsch. During lunch time the winning ticket for the Victory Club's wool comforter was drawn. Mrs. F. Church was the winner. Dancing was enjoyed for about three hours to music donated by various people in the community, including Mr. H. Murray, Mr. A. Hamilton, Mr. G. Brittain, and Mrs. S. Baker. During the evening Mr. Alan Greenway was presented with an attractive gift set by the young people present. Alan will soon be leaving to join the R.C.A.F.

BATTLE HEIGHTS

On Wednesday last a large crowd gathered at the home of Mr. and Mrs. James Barrett for a farewell party for LAC James Barrett. Cards took up the evening. Prizes for high scores going to Mrs. J. Dalton, and Mr. H. Strauss. After a lovely lunch had been served, Mr. J. Laycock made the presentation of a Waterman's pen and pencil, and several dollars in cash, with best wishes from Jim's very many friends.

Mrs. H. Moore of Daysland left for her home on Thursday, after spending several days visiting with her sister Mrs. Barrett.

Mr. J. Holt returned home from the hospital much improved in health.

Miss Rita Burns is visiting at home for a few days.

Mr. Allan Strauss, Mrs. R. Deltrich Denise and Dorothy Deltrich of Heiler have been visiting at the homes of Mr. and Mrs. A. Deltrich and Mr. and Mrs. H. Strauss over the week end.

Douglas Steele has taken a position helping Mr. G. Leduc. Pte. J. Craig and Mrs. Craig, LAC Albert Craig and LAC James Barrett visited at the Strauss home on Monday.

MAYFIELD

A meeting called by Mrs. Robert Armstrong, Sec. of the school district at the request of the Wainwright Municipal Council for the purpose of gathering information of the farm situation in the district, electing representatives to co-operate with other farm committees to plan for this year's work and ascertain local needs in keeping up and increasing food production in the district, was held last Thursday afternoon.

Mr. A. F. Kohl and Mrs. Robert Armstrong acted as chairman and secretary respectively, of the meeting. A committee of five was elected to act as local representatives in this work. Those elected were:—Mr. Walter Rathwell, Mr. Alex Souter, Mr. Jack Veitch, Mrs. Robert Armstrong and Mr. Harold Rathwell. Mrs. Armstrong will act as secretary for the committee. This committee, as well as all such committees being elected throughout the municipality, will later be integrated with the Farm For Victory Zone Committees being set up by the Provincial Government.

A lively discussion on different phases of farm problems took place, and several recommendations made, which, in the opinion of those present would help solve such problems.

At the close of the meeting, a motion expressing appreciation of the work being done by the Wainwright Municipal Council on behalf of the farmers towards the solution of the many farm problems, carried unanimously.

At the meeting of the Victory Club held last Wednesday evening, it was reported that over five dollars had been made from dance of March 12th, to be used to buy cigarettes for local boys overseas.

AMONG THE OLD TIMERS

REMEMBERS OF OTHER DAYS

TEN YEARS AGO

The first enthusiastic golfers of the season were out on the course Sunday. It is a sure sign that summer is on its way when you see Johnny and Lorne Mitchell with their golf clubs.

Mr. Henry Muddle has returned from Three Hills where he has been attending college, and is at present staying with Mr. and Mrs. Wyllie at Heath.

We are glad to report that Mr. Lewis Alexander, who has been in an Edmonton hospital, has now returned home.

Mr. and Mrs. Lou Carl, who have been living in the East for the past two years, arrived here last week with their family, having made the trip by auto.

Mr. and Mrs. H. Myers of Sheepskin Flats, motored back from Vernon, B.C. last week, where they had spent the winter. Mr. Myers reported no trouble with the roads.

On Tuesday evening, March 27th, a group of our town ladies met and formed a local branch of the L.O.D.E.

FIFTEEN YEARS AGO

Mr. Geo. Clark, the new S.S.B. supervisor, is arranging to move his family into town in a week or two.

Possibly the biggest auction sale ever held in the district was seen last Friday when the stock and effects of the late Mr. Richard Aykroyd estate were put under the hammer by our genial auctioneer Mr. Bill Stuart.

Last Friday evening after choir practice, the members spent an enjoyable social hour in a little farewell for Mrs. H. Western who has been a faithful member for four years. The guest of honor was presented with a handsome china fruit stand and candlesticks.

Mr. J. C. Keene, who recently purchased the farm holdings of Mr. Ranney, moved on to the place with his family.

Mr. H. C. Buckle has now arrived from Edmonton to clerk in the Washburn Hardware for the future. Mr. Jimmy Bracciglieri having left on Saturday last.

Miss Huxley, who was appointed matron at the municipal hospital, arrived here last week from Red Deer, and has now entered upon her duties.

Clothing for merchant navy shipwrecked survivors is only one of the many services performed by the Canadian Red Cross. Above illustration, taken in a Canadian Red Cross workroom somewhere in England, shows a merchant navy sailor being fitted with a new pair of boots. This completes his entire new outfit, replacing the clothes which went down with his ship.

WAR WHOOP

1943 MODEL

YOU HEAR IT at all hours... that long-drawn cry of the locomotive whistle. It's the war whoop of the railways.

It may be a troop train speeding to keep a date with a convoy... it may be a long freight loaded with tanks, guns and other materials of war, many of them built by the railways themselves... it may be another week's supply of raw materials to keep a war plant in production, or food, fuel and other essentials for the home front.

It is the proud war whoop of Canada's greatest war industry—the railways, which are serving the nation as effectively in war as in peace. Only the railways can furnish mass transportation on such a scale.

Your railways were ready... ready in war, so that Canada could strike with all her might. They will be ready in peace again to serve a greater Canada... rolling ever forward on highways of steel.

Mrs. Dave McClellon and Mrs. Joe McClellon are both spending a few days in the city this week.

Mrs. Roy Hartling has now returned from her visit to the coast.

Sympathies to Mrs. Albert Rattray and baby, who are down with the prevalent chicken-pox.

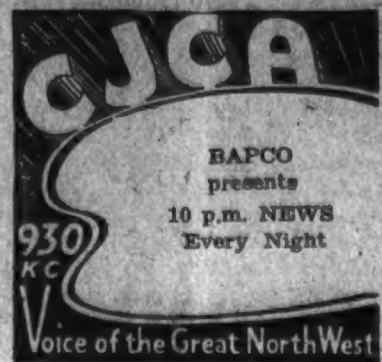

The Department of National Defence at Ottawa is anxious to obtain revolvers of .38, .45 and .445 calibre, and also Colt automatic .45's for army use. These should be carefully tagged and packed before shipment, and bear the name and address of owner, serial number and calibre, and should also state whether the gun is for sale or is a contribution for the war effort.

The local Elk's Lodge is announcing a dance in the Separate School hall on Friday next, April 2nd, when the proceeds will aid the Red Cross funds.

Murray has been here on leave from Murray has been here in leave from his R.C.A.F. duties.

It is interesting to note that Easter Sunday falls this year on the latest date on which it may be observed, April 25th. This year, 1943, is the only year in the 20th century when it occurs on this date. The date is governed by the phases of the moon, and may fall on or between March 22, and April 25.

How's Your Subscription Label?

We are sorry to hear that advice was received in town at the week end of the death on active service overseas of Pte. Sgt. Dave Vesey, who was a former resident here. He was a veteran of the first Great War.

Consideration Given
Butter Producers

The Ration Administration has replied to many enquiries by issuing a further explanation of the dairy butter situation as follows:

Producers of dairy butter are not rationed in respect of the butter produced by them and consumed in their household. Producers of dairy butter must not use their coupons to acquire butter except to the extent that the amount of butter produced by them and consumed in their household is less than the total legal ration of their family. In other words, if the ration is eight ounces and the farmer produces butter at the rate of four ounces per person in his family, half of the household's coupons may be used outside, the other half must be surrendered to the Local Ration Board. However, if the farmer's production is at the rate of twelve ounces per person, he may consume all of it, but in that case he must surrender all of the coupons.
